DESIGN & MANUFACTURE OF MATERIAL HANDLING EQUIPMENT

J. P. Morgan once remarked: “If it appreciates, buy it, and if it depreciates, lease it”

Why Lease Sackett Equipment? Our leasing program offers...

- **100% cost coverage to include hardware, soft costs and most services**
- **24 months to 84 month terms**
- **No money down (first and last month payments only)**
- **No need for collateral**
- **Pay for equipment out of before-tax savings rather than after-tax profits**
- **Leave normal lines of bank credit undisturbed**
- **Maintain working capital for inventory, accounts receivable, and other expenses**
- **90-Day Deferral Option - an option that keeps your after tax profit readily available**
- **Full lease product offering for amounts from \$15,000 to multi-millions**
- **Tax benefits to help your business (please consult your tax professional)**
- **Lease payments may be fully expensed on fair market transactions**

A recent report from the National Business Institute indicates the following five reasons for leasing:

- **41% - Cash Flow and Capital Outlay**
- **18% - Rapid Technological Changes**
- **10% - Financial Requirements Are Not as Stringent**
- **10% - Leasing Companies Are More Accommodating Than Banks**
- **8%- Tax Implications**
